

Quandamooka Yoolooburrabee Aboriginal Corporation

Support the Quandamooka people's ***Don't Undermine our Rights*** campaign

to protect their native title rights on North Stradbroke Island,
and the integrity of all native title agreements around Australia,
from the Newman LNP government's controversial
*North Stradbroke Island Protection and Sustainability
and Another Act Amendment Act 2013 (Qld)*.

The Act extends sand mining on North Stradbroke Island until 2035
and expands the area of the island available to be mined, without
the consent of the native title holders, the Quandamooka people.

The Queensland LNP government cannot be allowed to get away with
such a blatant disregard for the rights of Aboriginal people.
