

## AGREEMENT

I, Andrew Ross, General-Counsel, Redland City Council, confirm that I agree to the terms of the agreement that are outlined in this letter, namely:

1. Within 7 days the Council will provide to the Department details of all sites that have been cleared under the Council's View Management Strategy;
2. Within 7 days the Council will carry out a site inspection to determine the appropriate vegetation restoration program;
3. Within 28 days the Council will:
  - a) make an application to the Department, under the Department's MP06 Self-assessable Code, outlining a project plan for the full restoration of Areas 2, 3, 4 and 5, as identified in the report; and
  - b) replant Areas 2, 3, 4 and 5, in accordance with a project plan, to restore the areas to their state immediately prior to the clearing;
4. Within 28 days the Council will install information signage about the restoration and protection of marine plants, including a webpage notice and community drops;
5. Within 28 days the Council will review and implement any change to processes and procedures involved in strengthening Council's regulation and awareness regarding marine plants;
6. Within 60 days the Council will recommend that View Management Strategy is amended to specifically exclude marine plants; and
7. Within 60 days the Council will provide training to Council employees and external contractors in relation to the regulation and protection of marine plants.
