## Petition Request Information

We, the undersigned, request that Council: *(state action required)*

Retain the *Redlands 2030 Community Plan* as the lead document in Council's strategic planning framework and that Council redraft its Draft Corporate Plan to 2026 to acknowledge and comprehensively reflect this by remaining focused on achieving ALL of the Community Plan's vision outcomes: Healthy natural environment, Green living, Embracing the bay, Quandamooka Country, Wise planning and design, Supportive and vibrant economy, Strong and connected communities, Inclusive and ethical governance.

We ask Council to accept and acknowledge that the Community Plan's shared vision and values are as relevant today as they were when the Plan was prepared by the Redlands community, with involvement of more than 3,000 residents.
